

CAWG-NVWG Encampment Staff Selection Exercise 15 - 17 July 2005

Have you ever wondered what went through the minds of your flight staff the moment you fell out after the graduation ceremony? Do you truly understand the impact they made on your life and why they willingly shared their knowledge with future generations of successful cadet leaders, you being one of them? If these questions arouse your concern, and you wish to be for future basic cadets what your flight staff was for you as a basic cadet, then applying for Encampment staff would be the most logical first step towards discovering the answers to these questions.

Basic Cadets were not the only individuals who grew during Encampment. Each cadet staff member was also pushed to higher levels of performance they never knew existed, excelling in this "advanced leadership laboratory". They leave Encampment knowing they have made an impact on the lives of every single cadet under them. They leave knowing they have supplied their Basic Cadets with many of the skills they need to succeed, both in CAP and in life. **Are you ready to meet the challenge of supplying the finest training to the finest cadets in CAP?** The Cadet Training Group offers you this experience, only if you are willing to learn and work hard to achieve your goals. In the past, those who took it upon themselves to return to the unique Encampment environment left with friendships and cherished experiences never to be forgotten.

This year, Encampment Staff Selection Exercise (SSX) will be held from **15-17 July 2005** at **Castle Airport, Atwater, CA**. The cost for this activity will be **\$45.00** with checks or money orders made payable to **CAWG Cadet Programs**. You may also pay via credit card by filling out a [CAWGF-14](#).
